- When mounting your ignition lock cylinder into the new housing the rear bolt will need to be secured with the supplied washer. (Red Arrow)

<  
This is what it should look like after you transfer your plastic guide and lock cylinder assy to the new shifter.

## MANDATORY CORE RETURN INFO

Ship to :  
Taliaferro Imports  
Attn: Core Dept  
525 N Prince Lane  
Springfield, MO 65802

Core **MUST** be returned promptly. All parts shown in the image to the left are minimum required to be sent back. No credit issued for late returns. If a core is not sent back you will be billed for the additional charges to purchase a new shifter from Saab to replace the core loaner you kept. This is to preserve the loaner core program.

Insure the package and Ship via UPS, FedEx or DHL (US mail is not recommended since there is limited tracking / insurance!)

Include the lower part of this form with your return Core so we know who sent it.
